

**4th, 5th & 6th of June 2013
Speke Resort, Munyonyo, Uganda.**

Attended by invitation only and with a strong emphasis on shared responsibility for our children, networking and facilitated meetings, the **ACOP** summit will go beyond discussion to drive tangible outcomes. This ground-breaking summit will raise awareness of challenges, resources and best practices. Together we will make valuable connections, share ideas and develop a pan-African network of key stakeholders dedicated to the development of Child Online Protection across Africa.

You are invited to support this important initiative through a range of sponsorship or promotional opportunities (listed below), presenting you with this unique opportunity to create visibility for your support and to demonstrate your solutions to the attending VIP audience.
