

**FEDERATIVE REPUBLIC OF BRAZIL  
MINISTRY OF COMMUNICATIONS**

February 13, 2014

**Mr. Louis Pouzin**

Dear Mr. Pouzin ,

I have the pleasure to inform you about the organization of the High Level Multistakeholder Committee (HLMC) of "NETmundial" ([www.netmundial.org](http://www.netmundial.org)), the Global Multistakeholder Meeting on the Future of Internet Governance that will take place in Sao Paulo, Brazil on April 23-24, 2014. The HLMC will be responsible for conducting the political articulation, fostering the participation of the international community, and the political review of the conference results.

It is a privilege for me to coordinate the activities of such Committee and to count on your participation as one of the members. I thank you for accepting to participate and I understand that, as a representative, you will take an important role on the activities, bringing relevant contributions to its objectives.

In this particular regard, I have the honor to invite you for a meeting, at Ministerial level, between HLMC member countries, the representatives appointed by the United Nations Secretary-General, and the non-governmental HLMC members. This meeting will take place during the GSMA Mobile World Congress in Barcelona - Spain on Monday, February 24th 17:30 at the Ministerial Programme space, Hall 4 - Room 8, Fira Gran Via. Please, be aware that to reach the Meeting Room, all attendees need the Ministerial Programme access added to their existing passes.

If you need further information about the meeting, as well as other ongoing and planned activities related to NETmundial, please get in touch with our international office through [flavio.lenz@comunicacoes.gov.br](mailto:flavio.lenz@comunicacoes.gov.br) or with the NETmundial Executive Secretariat at [secretariat@netmundial.br](mailto:secretariat@netmundial.br).

Sincerely,

**PAULO BERNARDO SILVA**  
Minister of Communications of Brazil

**Coordinator of NET mundial High Level Multistakeholder Committee**
