25 November 2020

Dear Members of the Internet Governance Caucus,

At the request of UN DESA in response to the EOSG, we are writing to acknowledge receipt of your letter dated 13 November 2020 on the report *Internet Governance Forum Multistakeholder Advisory Group Working Group on IGF Strategy and Strengthening, 2020 Response to the paper on "Options for the Future of Digital Cooperation"*.

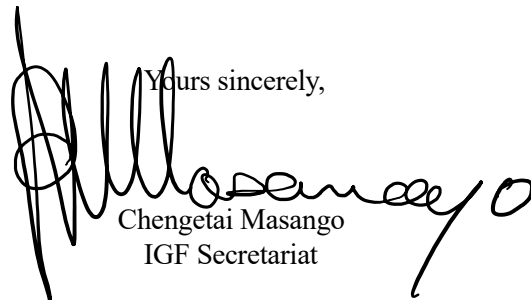

We welcome your commitment to the realization of the Secretary-General's Road map for digital cooperation. We take note of the support of the Caucus for the above-mentioned report, including its various elements and its three approaches on Para 93 (a) of the Secretary-General's Road map for digital cooperation.

We note further the position of the Caucus emphasizing a sequenced and gradual way forward and your support for the Association for Progressive Communications (APC)'s reflection on the Options Paper mentioned above.

As discussions on the implementation of Para 93 of the Secretary-General's Roadmap for digital cooperation move forward, the views and perspectives of the Caucus outlined in the letter will be duly taken into account.

We thank you once again for your initiative.

Yours sincerely,

Chengeitai Masango  
IGF Secretariat
